Everest Underwriting Ireland

Dear Broker,

Do you have clients based in Ireland? Are you concerned about how you're going to deal with these clients following Brexit? If the answer to these two questions is YES, then please speak to Everest Underwriting as we can help.

Everest is delighted to announce that it is opening a new office in Ireland in anticipation of a 'Hard Brexit'. Everest has traded in Ireland since 2013 writing business on behalf of local brokers. It is now extending its services to UK brokers who may no longer be able to trade in Ireland from 29th March 2019 unless they have a domiciled Irish Company who are authorised and regulated by the Central Irish Bank. If you have Irish business you wish to protect and develop post Brexit, then Everest can help.

Our expertise of the local market, our first class service and our unique position means that we will help you turn a threat into an opportunity!
