

Dear Broker,

During these unpredictable times of rate increases, renewal declinatures, Brexit and the more recent uncertainty of Covid-19, Everest Underwriting promises to extinguish these challenges by delivering a more positive opportunity in which will provide light for the growth and protection of your business.

As a club member you will receive the following:

- Provided free marketing support to help both win and retain clients.
  - Provided white labelled documentation.
- Exclusive rates particular to your book of business.
  - A dedicated Account Manager.
  - A-rated insurer capacity.
